Bird activities

Flying Running Hopping
 Perching Singing Looking for food

1. Is there any short grass for Blackbirds to look for worms?
2. Any bushes for birds to hide in and feed on? Any berries on them?
3. Any minibeasts to eat?
4. Can you see anywhere for a bird to nest? Can you see anything a bird could use to build its nest?
5. Somewhere for a bird to have a bath?
